

CUMMINS / Complete diesel generator set

# C1250D5A

Cummins 50 Hz diesel generator set with 1125 kVA prime and 1250 kVA standby ratings.

|                        |          |
|------------------------|----------|
| Prime apparent power   | 1125 kVA |
| Standby apparent power | 1250 kVA |
| Prime real power       | 900 kW   |
| Standby real power     | 1000 kW  |
| Frequency              | 50 Hz    |
| Engine model           | KTA38-G9 |
| Fuel                   | Diesel   |

Ratings and engine model verified on official international Cummins product page. Regional listing includes Africa/Middle East and Asia Pacific; no claim of Pakistan stock or Gateway dealership. Manufacturer lists C22D5 standby real power as 18 kW; retained exactly rather than calculating 17.6. Legacy archive datasheets with different engine variants excluded.

## Reference and supply scope

These are manufacturer model-reference values, not a Gateway stock confirmation or a complete site design. Confirm the offered configuration, accessories, compatibility, availability, warranty and installation scope in the quotation.
