

JINKO SOLAR / Solar panel

# JKM435N-54HL4R-B

435 W Tiger Neo N-type all-black module. 108-cell monocrystalline construction.

|                                |                     |
|--------------------------------|---------------------|
| Rated power (STC)              | 435 W               |
| Module efficiency (STC)        | 21.77%              |
| Voltage at maximum power (STC) | 32.78 V             |
| Open-circuit voltage (STC)     | 39.36 V             |
| Short-circuit current (STC)    | 13.72 A             |
| Dimensions                     | 1762 × 1134 × 30 mm |
| Weight                         | 22 kg               |
| Cell count                     | 108 (6 × 18)        |

## Reference and supply scope

These are manufacturer model-reference values, not a Gateway stock confirmation or a complete site design. Confirm the offered configuration, accessories, compatibility, availability, warranty and installation scope in the quotation.
